

### 3. Challenge #1.

Q Write a program that will print your first name and last name

```
#include <stdio.h>
```

```
#include <stdlib.h>
```

```
int main() {
```

```
    printf(" Bill Bill\n");
```

```
    printf("Clinton");
```

```
    return 0;
```

```
}
```

```
}
```
